A promotional graphic for Wide Wings Media on a purple background with a faint target pattern. At the top left is the Wide Wings Media logo. The text "Behind Each Successful Marketing Plan There's A Solid Marketing Strategy" is centered. Below it, "Wide Wings" is written in large, bold, orange letters, followed by "can help you" in white. At the bottom, three interlocking puzzle pieces are shown: a silver piece labeled "Photography", a black piece labeled "Content Creation", and a silver piece labeled "Visual Identity". A fourth, orange puzzle piece labeled "Social Media Management" is positioned above the other three, as if about to be placed into the puzzle.
